OPPVA Branch 18 is excited to announce our launch of the Veterans' Voice Network, a new OPPVA initiative aimed at fostering community support and well-being among our members. As part of this program, volunteer members will be conducting quarterly wellness calls to check in on each other's health and overall well-being.

Rest assured however, your information will be handled with the utmost confidentiality and used solely for the purpose of this program.
- If you would prefer not to participate in the Veterans' Voice Network and not receive these calls, we completely understand and respect your decision.
