The **Ontario Provincial Police Veterans' Association (OPPVA) Veterans' Voice Network** program aims to regularly check in on members to ensure their welfare and to maintain regular connection. As part of this program, trained volunteer members will conduct quarterly wellness calls to each of our members to check in on each other's health and overall well-being.

Option 1) *For those who are open to participating, only your name, telephone number, and email address will be shared with our volunteers to facilitate the wellness calls. Rest assured, your information will be handled with the utmost confidentiality and used solely for the purpose of this program.*

Option 2) *We understand that some have their own support systems. If you would rather not receive calls, simply select the "Opt-Out" option. We completely understand and respect your decision.*
